1. Traditional Curricula

For traditional curricula, scholarship checks will be made out to the scholarship recipient and the school the recipient is attending.

Scholarships will be distributed in two payments: one per semester enrolled. Recipients are presented their first disbursement providing all documentation has been received.

The second disbursement will be mailed once the scholarship recipient submits to the Auxiliary Office:

- a. Grades from the completed semester. (Transcripts must meet minimum of 2.5 GPA.)
- AND**
- b. Proof of enrollment for the upcoming semester.

2. Non-traditional Curricula

For students enrolled in non-traditional curricula, i.e., online 8-week sessions, the scholarship funds will be distributed directly to the recipient upon submission of:

- a. Grades from the completed session. (Transcripts must meet minimum of 2.5 GPA.)

AND

- b. Proof of payment for the completed session.

NOTE: The amount of the scholarship for the session shall not exceed the total tuition paid by the student. Example: Tuition for the 8-week session totaled \$450; the awardees will only receive \$450 of the total \$2500. The recipient may continue to submit quarter/session documentation to receive a total of \$2500 during the year.

After Graduation

The scholarship recipient will be required to serve as a full-time status (minimum of 72 hours per pay period) employee of Fitzgibbon Hospital, or an affiliate clinic for one year post-graduation. If the recipient is only able to serve as part-time status (minimum of 40 hours per pay period), the recipient may choose to repay half of the scholarship awarded or serve two consecutive years post-graduation. If the recipient is not able to fulfill the employment requirement, he/she must repay the scholarship. PRN status will not be considered as fulfilling the employment obligation. The scholarship repayment may be prorated to reflect the time the recipient has served. In the event a recipient is awarded a scholarship for multiple years, each year of service post-graduation will be fulfilled consecutively, not concurrently.

If the recipient is not able to fulfill the employment requirement, he/she must repay the scholarship. The recipient shall make payments of \$100.00 each month until full payment is received. If there is not a position available at Fitzgibbon Hospital or its Affiliates, the recipient is exempt from repayment.
